

Story Quilt Response Project

Name: _____ Date: _____

Quilt Square:

1. Meet with your group and talk about the theme. How does the theme apply to your book?

2. Brainstorm some ways to represent the theme in an acrylic painting. Reread parts of your book, look at your golden lines and browse your lit circle folder. Pay special attention to ideas, words and images that seem especially important. List some ideas here:

3. Create a rough draft of your drawing on an 8" square of white paper. Measure 1" around the sides for a border. Be sure to use ALL the space.

Reflection:

On the back of this sheet, write two paragraphs about your square. Describe your illustration and explain how it represents the theme. Choose a quote from the book as an example (include the page number).
